Pitch your Project

Have a project but looking for data to support it? Living Library provides quick and easy access to premium Airbus imagery, in multiple streaming and download formats.

Airbus wants to support you with your innovative ideas. Submit your project pitch based on WMS/WMTS streaming, and we will select 5 winners with the best pitch.

The winners will be offered a Living Library standard subscription to implement their projects.

Submit your project

Complete submission by 5pm on 30 April 2019

Once submitted, tweet your project pitch with the hashtag **#LivingLibraryChallenge**
